Bank The Blue, is a non-profit organization that provides law enforcement officers with access to mental health support and resources so they can better serve and protect our communities.

Launched by a group of Chicago businesses and professionals with close ties to the law enforcement community, Bank The Blue aims to build stronger, safer communities by healing fractured relationships and rebuilding trust between police officers and civilians.

Bank The Blue's inaugural event will take place on October 21, 2021 at the historic Theater on the Lake building in Chicago, Illinois. The goal of this event will be to build awareness around the importance of improving officer wellness, to combat the stigma associated with officers and mental health, and to fundraise for this important cause. We anticipate 500-1000 attendees from both the law enforcement and civilian communities.

On behalf of Bank The Blue, we want to thank you for your support and look forward to celebrating with you!
