We are excited to announce the 1st Annual Flipper's Final Shift: Officer Michael Flisk Memorial Car Show!

Join us for a special car show in memory of Chicago Police Officer Michael "Flipper" Flisk, whose life was tragically cut short in the line of duty on November 26, 2010. This event honors Mike's legacy, his love for his '70 Chevelle SS, and his dedication to serving others.

"Flipper's Final Shift" is more than a car show—it's a heartfelt tribute to Mike and all who serve, and a fundraiser supporting Bank the Blue, a nonprofit providing mental health support for law enforcement officers.

Let's celebrate Mike's dream, see his fully restored Chevelle, and stand together to support those who protect us.

***Ticket Cost: \$50 per person  
which includes open bar, food,
